

# The Pantry Story

The Pantry was established in November of 1982 on S. Tennessee Street in historic downtown McKinney and moved to the present location in the old "Hope Hardware" building on East Louisiana Street in 1991. The building was built in 1898 and was Hope Hardware for almost 80 years. The original wooden floors, with numbers for measuring rope and chain, and brick walls still remain.

The Pantry has grown from a small-town venture primarily serving local customers over 20 years ago, to a celebrated restaurant and bakery popular with Texans and tourists from all over the world today. The Pantry's fresh homemade food, daily specials, and homemade pies and cakes attract large crowds for lunch every day.

Each year from Thanksgiving through Christmas, the Pantry bakes several thousand homemade pies, the bulk of them on "Pie days" the day before Thanksgiving and Christmas Eve Day. "Pie day" has become a social event in McKinney, and you never know who you'll run into that day at The Pantry.

We appreciate your visit and hope you will visit us again.
